

## Betty Bangs Rock 'n' roll fashion show Saturday May 30 at Solé On The Ocean

Sunny Isles' newest condo-tel hosts "Betty Bangs" fashion show and live music by **The Hep Cat Boo Daddies**.

**Solé On The Ocean** is officially launching its weekend pool series by hosting a rock 'n' roll fashion show featuring "Betty Bangs" by Miami designer **Beth Gerharts**, drink specials by **Bacardi**, gourmet grill bites and live tunes by The Hep Cat Boo Daddies noon-6 p.m. May 30.

At 3 p.m., Betty Bangs' one-of-a-kind bathing suits inspired by rock legends such as **The Who** and **The Rolling Stones** will be featured in a runway show.

Made from legendary rock band branded vintage tees and adorned with Swarovski crystals, the Betty Bangs Swimwear collection is a sexy way to show you're the ultimate band aid.

"I grew up loving rock 'n' roll and all its defiance," Gerharts says. "My suits are the epitome of a rock 'n' roll rebel from the unconventional materials used to the raw cut of each suit – this collection is the perfect blend of rock and chic to create a line that looks hot, feels sexy and commands attention."

Rockabilly band The Hep Cat Boo Daddies will also perform.
